I am married and my wife and I live on a grain farm outside of Dalmeny. I have pretty much lived my entire life in Saskatchewan in the RM of Corman Park. My parents farmed outside of Dalmeny since the 1950's and my wife and I have been farming in Corman Park for over 40 years. We also own a small business in the town of Dalmeny.

Over the years I have been on a number of boards such as being on the council and the building committee for the Bible church in Langham. I also was the chairman of the school board in Langham for a number of years. I also have some national experience being on the Canadian turkey marketing agency for 10 years and a delegate to the Canadian Federation of agriculture some years ago. I believe and hope that these experiences can give me a broad base to understand issues related to the farming side of our RM. Owning a small business also gives me insights into that side of life and the challenges and opportunities that business owners face in our towns and RM's.
