I'd like to take some time to introduce myself and let you know a little bit more about me and why I am running for council. My name is Aaron Bradford and I have spent most of my life living in and around Corman Park. I am primarily a Journeyman Plumber/ General Gasfitter and have recently become an elk farmer. I also carry a CAIB insurance designation and have worked in that industry as well as carrying a hydronic design certificate and a Carpentry apprenticeship. My work in both trades and insurance has primarily taken place in Corman Park and the communities within but has also brought me to other jurisdictions and I have had the benefit of seeing how they do things differently. I often toyed with the idea of running for council based on the frustrations I saw in clients, friends and family when they had to interact with Corman Park. When we decided to put down roots in Corman Park, I felt I had to do something to help the governing body match the beautiful land and people that it encompasses. I am the 3rd generation of Bradfords in Corman Park and my hope is that my children will be the 4th generation to put down roots here. I would like for them to have an RM that seeks to serve its constituents and values the privacy of their constituents. So, on November 9th I hope that you will vote for me and vote to take back your RM.
